Sir:

In response to the Notice to File Missing Parts of Nonprovisional Application, dated September 8, 2005, issued for the captioned application, Applicants submit herewith a copy of a Declaration signed by all the inventors of the application, including inventor Jing Yuan.

The current Notice to File Missing Parts indicates that Applicants are to submit a Declaration that includes the signature of inventor Jing Yuan. Applicants note that a complete eighteen-page Declaration, signed by all six inventors of the captioned application, including inventor Jing Yuan, was submitted to the USPTO on December 30, 2004 in response to the previous Notice to File Missing Parts issued by the U.S. Patent and Trademark Office (USPTO) on June 3, 2004. Attached herewith is a copy of a postcard that accompanied the filing, date-stamped by the USPTO, as evidence that a complete Declaration was filed with the USPTO on December 30, 2004.

In response to the current Notice to File Missing Parts, however, Applicants re-submit herewith a copy of the complete Declaration previously submitted on December 30, 2004 that includes inventor Yuan's signature.
